

Hello Parent(s)!!!

As our menu changes and advances as do our ingredients. Please take a moment and complete the following questions and return to Half Pints Daycare and Preschool.

Child(ren)'s Name: _____

Does your child have a food related allergy and or sensitivity? YES NO

Name of food(s): _____

Please describe the severity of this allergy/sensitivity, can they be in the same room/building that the food is in. I ask this question, as take peanuts for example, some people are so allergic that they cannot be in the same room as another person eating peanuts.

Thank you for your time!!!

Chef Melissa
