

## Policies and procedures COVID-19 preventive measures

1. Wash hands of individual and child(ren) with hand sanitizer and or soap and water for 30 seconds directly upon entering the facility. This is preventive measures and a new requirement due to active COVID-19 diagnosis.
2. Do not enter the facility if you have a fever of 100.4 degrees or above.
3. Do not enter the facility if you have a cough or short of breath.
4. Do not enter the facility if you have traveled within the last 14 days to restricted countries.
5. If your child develops a fever, cough, or shortness of breath while in Half Pints care your child will be placed in quarantine with the expectation of the parent or guardian to pick the child up within two hours of a notifying phone call. The definition of quarantine is below.
6. **Isolation** separates sick people with a contagious disease from people who are not sick.
7. **Quarantine** separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick
